The Honorable Carl Levin

United States Senate  
Washington, D.C. 20510

Dear Chairman Levin:

In accordance with the Committee's direction, I write to certify compliance with Senate Rule XLIV and Committee guidelines pertaining to congressionally-directed authorization for funding. For my requests for authorization for congressionally-directed funding for projects contained in the Fiscal Year 2008 National Defense Authorization bill, I certify that neither I nor my immediate family, to the best of my knowledge, has a pecuniary interest in such projects as defined in Senate Rules.

As you know, I am a strong supporter of continuing to balance the federal budget and believe sound, effective budget discipline needs to be maintained. I understand that the discretionary budget constraints within which the Committee must operate mean that difficult choices will have to be made and that setting priorities is essential. The projects I have requested meet important needs and, I believe, are priorities that fit within a fiscally-responsible authorization bill.

Thank you for your attention and consideration.

Dear Chairman Levin and Ranking Member McCain:

In relation to my request to the Committee dated April 26, 2007, I write to certify that my request for authorization of \$30 million in Gulf War illnesses research funding is in compliance with Senate transparency rules and those of the Committee on Armed Services.

As stated in the April 26<sup>th</sup> letter, I am requesting authorization for \$30 million in research funding for the Gulf War Veterans' Illnesses Research Program (GWVIRP) within the U.S. Army Medical Research and Materiel Command's (USAMRMC) Office of Congressionally Directed Medical Research Programs (CDMRP). CDMRP, which will manage awarding the research funding, is located on 1077 Patchel Street, Fort Detrick, MD 21702-5024. The requested Gulf War illnesses research funds would go to a peer-reviewed research program open to researchers inside and outside of government focusing on the chronic effects of neurotoxic exposures, body functions underlying the illnesses, and the identification of treatments.

In addition, I certify that neither I or my immediate family have a pecuniary interest in this item, consistent with the new Senate Rule XLIV, including paragraphs (6)(a)(5) and 9.

Please contact me or have your staff contact Janko Mitric in my office at 8-6350 if you have any questions or are in need of additional information about the certification.

Dear Chairman Levin and Ranking Member McCain:

In relation to my three passed amendments (#2902, #2905 as modified, and #3082 as modified) on the Senate's Defense Authorization bill (H.R. 1585), I write to certify that my amendments are in compliance with Senate transparency rules and those of the Committee on Armed Services.

Amendment #3082 as modified provided authorization for \$15 million in research funding for the Gulf War Veterans' Illnesses Research Program (GWVIRP) within the U.S. Army Medical Research and Materiel Command's (USAMRMC) Office of Congressionally Directed Medical Research Programs (CDMRP). CDMRP, which will manage awarding the research funding, is located on 1077 Patchel Street, Fort Detrick, MD 21702-5024. The requested Gulf War illnesses research funds would go to a peer-reviewed research program open to researchers inside and outside of government focusing on the chronic effects of neurotoxic exposures, body functions underlying the illnesses, and the identification of treatments. Amendment #2902 requires an update to a military discharge form so as to improve VA-DoD record sharing and will be carried out by the Secretary of Defense. Amendment #2905 as modified will be carried out by the Secretary of Defense working with the Adjutant Generals of the various states and territories that apply for funds for the pilot program.

I certify that neither I or my immediate family have a pecuniary interest in any of these amendments, consistent with the new Senate Rule XLIV, including paragraphs (6)(a)(5) and 9.

Please contact me or have your staff contact Janko Mitric in my office at 8-6350 if you have any questions or are in need of additional information about the certification.
